Local Government Week - October 20-26, 2024

October 17, 2024

Local Government Week will be held from October 20-26, 2024. This province-wide event aims to raise awareness about the essential role local government plays in our communities. It also provides a great opportunity to celebrate the valuable services offered by locally elected Catholic School Trustees and school boards.

As elected representatives of the Catholic community, Catholic school trustees serve as stewards, advocates, and leaders. They govern Ontario's 29 Catholic District School Boards and are dedicated to placing Christ and the teachings of the Catholic Church at the heart of students' learning experiences.

DPCDSB Catholic schools are overseen by a board of 11 elected trustees and three student trustees. They work collaboratively with the community to shape a vision for the board that is reflective of the input of parents, students and community members. DPCDSB trustees advocate for excellence in education and serve as role models, fostering confidence in publicly funded education while safeguarding Catholic education.
