Land Acknowledgement

respect all the life that this land gives to provide us with life. This land upon which we live, work and sustain ourselves is the ancestral and treaty lands of the Michizaagiig Anishinaabek also known today as the Mississaugas of the Credit, the rightful caretakers and titleholders of this land. We also recognize that this land is rich in pre-contact history and relationships, which includes the Anishinaabek and the Ojibwa. We are committed to becoming a place to become home for Indigenous and non-Indigenous peoples.

measurable worth and dignity. Colonialism displaced and dispossessed Indigenous Peoples of their ancestral lands and continues to deny their basic human rights, dignities and freedoms. We are committed to the sacrament of reconciliation, making reparations and fulfilling our treaty obligations, duties and responsibilities as outlined in the Gdeonagagariama (Dish with One Spoon) wampum. This treaty governs and affirms that we will maintain mutually beneficial relationships and collectively respect and care for the land, water, animals and each other and our future descendants.

A Prayer of Peace of Mind

Dear God,

Please help me gain peace of mind

Help remove the stress and turmoil which only creates the unending tension

Please help me achieve tranquility

Arm with acceptance of things I cannot control and put my life back into Your hands

Use my faith to eliminate strife and create the harmony and joy of a peaceful mind

Thank you for being my comfort and my guide

Amen
